SPECIAL INSTRUCTIONS: _____

REQUIREMENTS FOR BOARDING

- 1. All animals must be current on all vaccinations.
2. All animals must be free of external parasites (ex. ticks, fleas, etc.), or they will be treated at owner's expense.
3. AAA Animal Hospital has my permission to do whatever is necessary should an emergency arise.
4. Pet hotel "rates" are charged per calander day and not per night. There is a check out time of 12pm and there is no charge if pet goes home before noon. Full payment is due at drop off.
5. Should circumstance aries that my pet remains unclaimed after the pick up date as stated without notice of extended stay, I understand that a written notice will be mailed to the address on file. Seven(7) days after such written notice with no response, the pet is considered abandoned and will be property of AAA Animal Hospital to do with as we deem fit.
6. I understand the the risk of boarding. I assume all responsibility including financial responsibility for injury or escape and release AAA Animal Hospital from any responsibility. I understand the risk of KENNEL COUGH, your pet should receive the vaccination 1 month prior to boarding, if my pet is vaccinated less then they are not fully protected and I do not hold AAA Animal Hospital liable.

I have read the boarding requirements and understand the hospital's policies.
